

# APPLICATION DATA SHEET

**ENVIROGRAF®**

AP042-HWAP-10-2018

Product Number: 42

HWAP

**Description:**

HWAP adhesion primer is a water-based clear primer to apply over existing paint, varnish or wax surfaces before applying other coatings.

**Application & coverage:**

HWAP Primer can be applied by brush or roller. Coverage is 10-12m<sup>2</sup> per litre.

**Note:** It is important to ensure the moisture content of the wood substrate is below 12% / 14% before application.

**After use & storage:**

Use warm water to clean tools.
