

APPLICATION DATA SHEET

ENVIROGRAF®

AP092-ES/VFR/Hard-wearing-01-2019

Product Number: 92 ES/VFR/HARD-WEARING

Description:

A water-based product to use over ES/VFR/C, with no need for an undercoat. Satin finish. For internal use only.

Application:

All surfaces to be painted should be clean, dry and free from loose and flaking material.

Coverage is approximately 10 - 12 square metres per litre.

Stir well before use. Apply one coat at 10 - 12m² (for internal use). Brush evenly in long strokes along the grain of the wood. Do not apply in temperatures below 10°C. High humidity will retard the drying process. Add 10% water for spraying

Touch dry in 1 hour. Recoatable after 4 hours.

Clean equipment immediately after use with warm soapy water and rinse thoroughly.

Precautions:

- Ensure good ventilation during application and drying.
- Avoid contact with skin and eyes.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- After contact with skin, wash immediately with plenty of soap and water or a recognised skin cleaner.
- Keep out of the reach of children.
- Safety data sheet available for professional user on request.
