ENVIROGRAF®

AP158-MBEX-04-2023

Product Number: 158

MOULDBLOK EX

Description:

MOULDBLOK EX, Mould-resistant external wall coat is a coating for external walls to protect against damp and mould.

Preparation:

For further advice contact Technical on 01304 842555

Application:

Stir well before use and apply by brush or roller. It can be brushed on or rolled on and must be applied using rubber gloves. Care must be taken to keep it off the skin away from eyes during application. Simple to use and very effective. Apply liberally and evenly for a smooth finish. Two coats **must** be used for external use.

Do not apply in temperatures below 10 °C or in damp conditions.

Cleaning:

Remove as much paint as possible from application equipment before cleaning. Replace lid firmly. Clean equipment immediately after use with warm soapy water and rinse thoroughly. Some local authorities have special facilities for the disposal of waste coatings. Do not empty product into drains or watercourses.

Precautions:

- Ensure good ventilation during application and drying.
- Avoid contact with skin and eyes.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- After contact with skin, wash immediately with plenty of soap and water or a recognised skin cleaner.
- Keep out of the reach of children.
- Safety data sheet available for professional user on request.
